Scholarly Research Paper from the year 2012 in the subject Business economics - Personnel and Organisation, grade: A, University of Plymouth, language: English, abstract: This report draws from relevant academic theories and models in evaluating the current situation at Jakey Travel. Having identified the underlying issues at the firm, suitable measures to improve service quality at the firm are recommended. 1. Impact of Service Quality on Customer Loyalty A careful assessment of relevant literature reveals plenty of empirical evidence in support of the proposition that service quality is a significant determinant of customer loyalty (Akbar et al. , 2010). For example, in a recent study of the impact of service quality on customer loyalty in the context of retail outlets, Sainy (2010) demonstrated that the former has a strong, positive effect on the latter. Oliver (1981) contends that customer loyalty develops gradually and is not a result of a single experience. More specifically, Oliver (1981) asserts that consumers first become loyal in a cognitive sense, i. e. , when they perceive the quality of a service delivered to them by an organisation as superior compared to...
