

The Violence of Organized Forgetting: Thinking Beyond America's Disimagination Machine

Filesize: 1.29 MB

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ms. Fatima Erdman)

THE VIOLENCE OF ORGANIZED FORGETTING: THINKING BEYOND AMERICA'S DISIMAGINATION MACHINE

DOWNLOAD

City Lights Books. Paperback. Book Condition: new. BRAND NEW, The Violence of Organized Forgetting: Thinking Beyond America's Disimagination Machine, Henry A. Giroux, "Giroux refuses to give in or give up. The Violence of Organized Forgetting is a clarion call to imagine a different America--just, fair, and caring--and then to struggle for it."--Bill Moyers "Henry Giroux has accomplished an exciting, brilliant intellectual dissection of America's somnambulant voyage into anti-democratic political depravity. His analysis of the plight of America's youth is particularly heartbreaking. If we have a shred of moral fibre left in our beings, Henry Giroux sounds the trumpet to awaken it to action to restore to the nation a civic soul."--Dennis J. Kucinich, former US Congressman and Presidential candidate "Giroux lays out a blistering critique of an America governed by the tenets of a market economy.He cites French philosopher Georges Didi-Huberman's concept of the 'disimagination machine' to describe a culture and pedagogical philosophy that short-circuits citizens' ability to think critically, leaving the generation now reaching adulthood unprepared for an 'inhospitable' world. Picking apart the current malaise of 21st-century digital disorder, Giroux describes a world in which citizenship is replaced by consumerism and the functions of engaged governance are explicitly beholden to corporations."--Publishers Weekly In a series of essays that explore the intersections of politics, popular culture, and new forms of social control in American society, Henry A. Giroux explores how state and corporate interests have coalesced to restrict civil rights, privatize what's left of public institutions, and diminish our collective capacity to participate as engaged citizens of a democracy. From the normalization of mass surveillance, lockdown drills, and a state of constant war, to corporate bailouts paired with public austerity programs that further impoverish struggling families and communities, Giroux looks to flashpoints in current events to reveal how the forces...
