

Problems And Potentials of Women Professionals

By Anima Sen

1999. Hardcover. Book Condition: New. 280 In a cross- cultural perspective, this book depicts the problems and potentials of women professionals. Data were collected from both Indian and Canadian women, using a structured questionnaire developed by the author covering a large number of areas of enquiry. The information thus gathered was analysed in three major sections. Thus the book with its transdisciplinary character covers a wide range of germane issues and problems of professional women. The richness and complexity of these issues and the future of women professionals. This book is unique in the sense that in addition to history development of women's movement it has demonstrated very clearly the issues and problems embedded in the mind of the professional women. The author has critically and scientifically examined all these issues and problems. The book will be very helpful to psychologists, sociologists, anthropologists and Policy makers. For all those who engage themselves in women studies, the book will prove cogent and comprehensive. Prof. (Mrs.) Anima Sen had a very distinguished career, with first-class records and awards throughout. After obtaining Ph. D. degree from the University of Hull U. K., she joined Delhi University in 1969. She was...

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.
