I don't think I ever worked harder at getting just two words out of my mouth. I tried to sound like I had no idea what the cops would want with me. When his step-father Phil is shot dead in an apparent robbery, David becomes the prime suspect. Where was David that night, and what does he know about Phil? David has figured out the truth about his step-father, and the day his kid-brother died. What will it take for him to tell? And how did he know?
