Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Top Tips from the Baby Whisperer: Breast-feeding - Includes Advice on Bottle-feeding, Tracy Hogg, Melinda Blau, 'How do I know if my baby is getting enough to eat?' 'How often do I feed her?' 'How can I tell if she's hungry?' There are many issues that surround breast- or bottle-feeding and the introduction of solid foods to your baby, and it can be a major cause of anxiety for many parents. Even the lucky ones, whose babies latch onto the breast easily or happily move from a liquid diet to solid foods, have initial concerns over ensuring their baby is getting adequate nourishment. Tracy Hogg's incredible sensitivity and ability to read infants' cries, coos and assorted baby noises quickly earned her the admiration and gratitude of high-profile couples, including a host of celebrities. With reassuring, down-to-earth advice, her practical feeding programme will help you overcome your baby's feeding issues and works with infants from as young as a day old. A lifesaver for any busy parent.
