Reviews

Complete guide! Its this sort of good read. It is rally exciting through studying period. I am just pleased to explain how here is the very best publication i have go through inside my own existence and could be he very best publication for at any time.

(Adele Rosenbaum)

BUNGALOW BASICS PORCHES (HARDBACK)

Pomegranate Communications Inc,US, United States, 2004. Hardback. Book Condition: New. 163 x 137 mm. Language: English . Brand New Book. Set almost invariably in a lush garden, the early-twentieth-century bungalow allowed countless suburbanites to get back to nature without leaving the cozy confines of their own property. The bungalow front porch epitomized the indoor-outdoor lifestyle associated with this popular new form of housing. Furnished as an extension of the adjoining living room, it offered a comfortable spot from which to enjoy unimpeded views of the surrounding landscape. Because the front porch typically defined a home's street presence providing what realtors refer to as curb appeal it also represented one of the most distinctive features of bungalow architecture.
