Reviews

An extremely wonderful book with perfect and lucid explanations. This really is for those who stante that there had not been a worth reading. Your way of life span will be convert when you comprehensive reading this book.

(Effie Douglas)

LITTLE SEA TURTLE FINGER PUPPET BOOK LITTLE FINGER PUPPET BOARD BOOKS

Chronicle Books. Hardcover. Book Condition: New. Hardcover. 12 pages. Dimensions: 4.3in. x 4.3in. x 1.0in. In the summer of 2008, exactly forty years after French student activists took to the streets with their rallying cry of Under the pavement, the beach! a new vision of liberation took shape in the courtyard of MoMAs P. S. 1. Designed and built by WORK Architecture Company in 2008 for the museums Young Architects Program, the installation Public Farm 1 (PF1) consisted of a large cluster of cardboard tubes topped with more than four dozen species of plants and vegetables. Conceived as a medium for educating citizens about sustainable urban farming techniques, the fully functioning, produce-growing design emphasized local intervention over mass production and pointed the way toward a more holistic, integrated approach to urban life. Leaving behind the urban beach, the updated slogan Above the Pavement, the Farm! embodies the current generation of young architects preoccupations and hopes for the city of the future. Using the PF1 installation as an ideal model for a new breed of architectural experimentation, Above the Pavement the Farm! is an urban manifesto designed to reinvent our cities as much-needed laboratories of experimentation and learning. Keeping in mind our societys gradual shift from being industrial to postindustrial, Above the Pavement the Farm! proposes an agriculture-based approach to city planning, envisioning fully functioning farms located atop roofs and situated within city blocks as a means for providing new sources of locally grown food to urbanites. Through visually dynamic narratives documenting the development of the project from conceptualization to on-site building, Above the Pavement the Farm! provides a how-to guide, including do-it-yourself plans and diagrams, for implementing urban farms on lots and rooftops in metropolitan regions across the country. Inspired by the highly visual mass-market paperback idea books popularized by Marshall McLuhan in the 1960s, Above...
