Reviews

A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

Pitch Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, **The Ugly Game: How Football Lost its Magic and What it Could Learn from the NFL**, Martin Calladine, At its best, football is a glorious, uplifting, unifying sport. But it hasn't been at its best for some time. Disillusioned by corruption scandals, billionaire club owners and an ever-smaller group of title challengers, Martin Calladine drifted away from the game that had defined 25 years of his life. He found solace in an unexpected place: American football. Despite the glitz and the endless ad breaks, the NFL has a curiously Corinthian purity: preventing teams buying success by sharing TV money equally, having a strict salary cap and, with the draft, letting the worst teams get the pick of the best new players. **The Ugly Game** is a funny, angry book of essays for football fans setting out where the game has gone wrong and showing that, perhaps surprisingly, the NFL has many of the answers.
