Excerpt: .of the Transcontinental Railway Commission, dated the 1st instant, covering a report from the chief engineer of the commission, with plan attached. relative to the two alternative routes from the portion of the proposed railway from Moncton westerly across the province of New Brunswick, the two routes being respectively indicated by the names the Back route and River route, the river being the River St. John. The chairman states that the said report. which advises the adoption of the Back route has been approved by the board. The Prime Minister will notice, and I hope the Minister of Railways and Canals will also observe, that he refers in that memorandum to a letter which he received from the chairman of the Railway Commission dated the 1st of May, 1905. That letter was not in the return, notwithstanding the minister s assurance that the return contained absolutely all the correspondence. I assume that there must also have been an acknowledgment on the part of the Minister of Railways and Canals of this important communication from the chairman-of the railway commission. I called the attention of the Prime Minister to the omission of these letters on the 28th of November and I was assured by him that he would give his personal attention to the matter and see that all the papers were brought down at as early 11 date as possible. Notwithstanding the Prime Minlster s assurance of that date all I have received, in...
