RESEARCH METHODOLOGY: A HANDBOOK

Concept Publishing Company (P) Ltd., 1989. Hardcover. Book Condition: New. This handbook is designed to provide a foundation course in research methodology for those who have just entered the field of research in social sciences and other related disciplines. Though not meant to be an all inclusive and comprehensive work on research methodology, it attempts to give a skeleton of the methods and procedures a researcher should know in order to optimize his research results and be able to present...
