

The Klutz Book of Inventions

By John Cassidy, Brendan Boyle

Scholastic US. Hardback. Book Condition: new. BRAND NEW, The Klutz Book of Inventions, John Cassidy, Brendan Boyle, The Klutz Book of Inventions lives at the intersection of comedy and product design. This 200 page catalog of never-before-seen contraptions is equal parts brilliant, useful, and ridiculous. None of these inventions exist, but you'll wish they did. A helium filled hide-a-bed for small apartments (hop out and it rises to the ceiling to open up floor space)? A tricycle-lawnmower combo (puts wasted play energy to work)? A marshmallow candle cooker (don't wait for a campfire to enjoy your favorite treat)? The ideas in this book are 100% genius with a Klutz twist, but it also teaches a little bit about the process so kids can dream up their own inventive inventions. Comes with: 198 pages of wit and creativity unlike any the world has ever seen.

Reviews

It is great and fantastic. Yes, it really is engage in, nevertheless an amazing and interesting literature. You can expect to like how the author write this pdf.

-- **Roma Prohaska MD**

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
