Product Description With the prospect of Civil War looming, Jack Larkin, a veteran of the War of Independence, is torn by his idealistic search for the True Republic, the love of his sweetheart and the memory of his dead father. Set in Dublin during the 1922-23 Civil War, *The Republican* examines the emotionally charged divisions that the Treaty with England created within the Republican movement and one man's desperate struggle to understand his decision to fight. *The Republican* is one man's journey through Ireland's darkest hour - a period which many would like to forget, but which is etched deep in the collective unconscious of the Irish Nation. From the Publisher This novel, which is set during the Irish Civil War, examines the violent birth of the Irish Republic. It is an important book because it tells the story of the Irish Civil War in Dublin - a story that has not yet been told, either in novel or film format. From the Author This was a fascinating novel to write, says author TS O'Rourke, who spent a year doing research before starting to write the book. What struck me was the absence of a story told from the point of view of the foot soldier. We are often presented with the leaders of revolutions, but seldom is the voice of the common man heard. My goal was to examine the war from a unique perspective using available information and to present the terrible choices that men had to make in those dark days. But what was O'Rourke's motivation for writing the novel was given a letter that had been passed down from my grandfather. The letter was written by a...
