What expertise do you have in business? What are your hobbies? Which of your unique life experiences can others learn from? What are you passionate about in life? If you have knowledge that could relieve someone else s pain, solve their problem, or show someone else how to get ahead, then you are ready to write a book. In these difficult economic times, it s actually easier than ever to write and publish a book. Use the simple, but sure-fire methods described within this book so you can establish your expertise in your chosen field of business to develop a steadily increasing income stream while doing what you love to do to provide solutions to help other people. This is a great book for moms, future experts, and problem-solvers; a must for coaches, consultants, and speakers. Is there a book inside you? I ll bet there is and I look forward to seeing it in print. Dan Poynter, The Self-Publishing Manual - 16th Edition Finally, a book that tells writers how to create a nonfiction book that gets results. It takes you step-by-creative step through an otherwise circuitous process; resulting in a book you will be proud to call your own. Brian Jud / Author of How to Make Real Money Selling Books and Beyond the Bookstore As an author with several books under my belt from big publishing houses, I opened Rik Feeney s latest work with no small amount of skepticism. What could I possibly learn? And then I read it all the way to the end in one sitting. The book business is in a state of almost...
