Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MY PILGRIMS PROGRESS: MEDIA STUDIES, 1950-1998

Vintage. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.0in. x 5.2in. x 0.7in.Original, provocative and possibly prophetic. -- The New York Times When his classic *Within the Context of No Context* was first published, George W. S. Trow parsed televisions overwhelming dominance over Americas consciousness. In *My Pilgrims Progress*, he returns with a provocative tour of politics and the media to show how 1950 got to be 1998. The son of a tabloid journalist, Trow was raised in the Deepest Roosevelt Aesthetic, and found himself seduced by the ordinaryness of the Eisenhower era. It was a time when the Old World was giving way to the New. Perusing *The New York Times* of February 1950, he gives us America at the peak of its power, with its politicians and celebrities (and the nearly hesitant advent of television) and the fresh terror of the H-bomb. At turns a cultural history, a eulogy, and a provocative commentary on contemporary America, *My Pilgrims Progress* confirms Trows place as one of our most brilliant and incisive social critics. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
