

## South India Under the Cholas

Filesize: 2.49 MB

### ***Reviews***

*Comprehensive information! Its this sort of excellent read. I could possibly comprehend every little thing out of this published e pdf. You wont sense monotony at at any moment of your time (that's what catalogs are for about when you ask me).*

*(Prof. Mauricio Howe III)*

## SOUTH INDIA UNDER THE CHOLAS

Oxford University Press, 2012. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. This book explores different aspects of state-society interactions in medieval south India under the reign of the Cholas. Divided into two parts-Epigraphy and History, and State and Society-the first provides an in-depth analysis of Tamil epigraphy and inscriptions. While interpreting inscriptional terminology, it discusses the socio-economic milieu, merchant guilds, and other sociological aspects. The next section traces the evolution of the medieval state, economy, and society. It discusses land surveys, Chola revenue system and sale deeds, and property rights. The author examines, in detail, the emergence of new organizations like Urar, Nattar, and Periyannattar, and maritime trade guilds, and social classes like landholders, cultivators, slaves, and the left and right hand divisions. The introduction contextualizes these essays in current research scenario and historiography and also provides a brief overview of the evolution of the Chola state and society. This book will be of considerable interest to scholars, teachers, and students of medieval history, particularly those interested in south India, Cholas, and early medieval India. Printed Pages: 274. Size: 15 x 23 Cm.
