Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

A FAIR ELECTION

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 86 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. The book A Fair Election is not about a political election, it is about Gods election. The Bible uses the word elect for a specific group of people. Calvinist claim that it refers to people that God chose for salvation. On the other hand there are many who simply ignore this term. I believe after years of study I have found the truth about the words predestination and election. These words provide understanding about what God has planned for a soul that accepts Jesus as their savior. Another discourse about these words is the idea of once saved always saved. It seems to most people that if a person is predestined to Heaven then they can live however they want and the outcome is the same. This is addressed in the book. I know that paradigms exist, and they keep men from seeing what is right in front of them. I am certain that whoever reads this book will see things they have never considered before. Things that will make so much sense and give a clearer picture of the process of God salvation through Jesus Christ the Lord. It is my hope that after reading this book you will have a greater confidence in your salvation. This item ships from La Vergne, TN. Paperback.
