## Forensics: The Anatomy of Crime

By Val McDermid

Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Forensics: The Anatomy of Crime, Val McDermid, The dead talk. To the right listener, they tell us all about themselves: where they came from, how they lived, how they died - and who killed them. Forensic scientists can unlock the mysteries of the past and help justice to be done using the messages left by a corpse, a crime scene or the faintest of human traces. Forensics draws on interviews with top-level professionals, ground-breaking research and Val McDermid's own experience to lay bare the secrets of this fascinating science. And, along the way, she wonders at how maggots collected from a corpse can help determine time of death, how a DNA trace a millionth the size of a grain of salt can be used to convict a killer and how a team of young Argentine scientists led by a maverick American anthropologist uncovered the victims of a genocide. In her novels, McDermid has been solving complex crimes and confronting unimaginable evil for years. Now, she's looking at the people who do it for real. It's a journey that will take her to war zones, fire scenes and autopsy suites, and bring...
