

A Concise History of Chemistry (Classic Reprint) (Paperback)

Filesize: 4.58 MB

Reviews

This ebook is very gripping and exciting. It is one of the most amazing book we have study. Its been printed in an remarkably easy way and it is only after i finished reading this book through which really transformed me, affect the way i think.
(Camille Greenholt)

A CONCISE HISTORY OF CHEMISTRY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from A Concise History of Chemistry This book is an attempt to outline as briefly and succinctly as possible the historical development of chemistry, and is designed more especially for those students whose interest in this aspect of the science is stimulated by the inclusion of Historical Chemistry in the syllabus of examinations which concern them. It is therefore presumed that the reader is simultaneously acquiring, or already possesses, a fair knowledge of present-day chemical theory and practice, and, accordingly, no space is devoted to the actual explanation of hypotheses or reactions except in so far as the latter are directly bound up with the historical sequence of facts. Whenever practicable, each section is arranged so that it follows approximately those lines upon which a student would learn the simple chemical facts in question; thus, the introductory chapters dealing with the older chemistry (down to Lavoisier) are succeeded by the history of elements and inorganic compounds, treated, as far as possible, according to the Periodic Law, whilst the details of other branches, such as organic and physical chemistry, follow in general the order given in the standard textbooks. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve...
