Editorial Universitas, S.A., 1995. soft. Book Condition: New. Encuadernación: Rústica Descripción: 244 p. il. 24x17 cm INTERDISCIPLINARY TEXTS with Lead-in Exercises is a book to be used in class, and is the outcome of the guidelines established by L. O. G. S. E. (Ley de Ordenación del Sistema Educativo) for the teaching of English as a foreign language at the level of Bachillerato. At this intermediate level the Reforma states that the material used for the teaching of a foreign language should come from genuine, interdisciplinary sources. In this respect all texts found in this book are authentic material. In fact quite a few of them have been adapted from books currently used in British High-Schools to teach "A" levels. INTERDISCIPLINARY TEXTS with Lead-in Exercises will provide students with the solid background and practice needed to succeed in their University Entrance Exam or Selectividad Exam.
