

Velda: The Complete Velda, Girl Detective (Paperback)

Filesize: 4.14 MB

Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

(Lucinda Stiedemann)

Caliber Comics, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Velda: Girl Detective is a multileveled parody of not only the more lurid of the 1950s crime comics but of comic collecting itself. The book is also more than a passing homage to the noir films and hard-boiled detective school of writing of the 1950s. Purporting to be an anthology of all the issues of a little-known golden age comic, it includes a history of the creation of the comic, an interview with its creator and an episode list of the Girl Detective TV show as well as special features including a Velda paper doll kit and the complete 1952 Velda pinup calendar. The comics also include vintage ads as well as featurettes such as Hawkshaw Hawk, Bird Detective and Neolithica: Girl of the Pleistocene. Velda has also been featured in a series of radio plays broadcast by NPR ---as well as a full-length stage play that was produced a few years ago.
