Brand New Book ***** Print on Demand *****.The Amulet is a very high-concept (three-part) Christian thriller. Below is a small precis of the work: In 1947, a monumental archeological discovery is made near the ruins of a previously unknown and long-extinct Jewish community. An ancient relic is found. To the shock of everyone that sees it, it appears not to have aged a day in two thousand years. For decades subsequent to its discovery, the find is kept hidden, knowledge of its existence never made public. Yet, one day, something inexplicable happens. Its private owner suddenly becomes terrified of it. He hurriedly contacts the Israeli Antiquities Authority, informing this organization of what he possesses, the existence of something that defies description. The IAA laughs at him, only reluctantly accepting his donation. Two months pass. During that time, to the IAA s sheer astonishment, all rigorous scientific test results confirm the relic s authenticity.that it indeed dates to Israel of the first-century. But that is not the only thing that stuns the IAA. It appears to exhibit supernatural properties. One night, while studying the antiquity in an underground laboratory, the worst screams ever heard in human history reverberate through the building. Armed guards nervously enter the room, their gun hands shaking. What they find cannot be explained. And the relic goes missing, lost to the IAA forever. Thirteen years after these events, unrelenting...
